Facility Description

Imagine picturesque sunrises and more spectacular sunsets... such is golf in the Endless Mountains.

Nestled conveniently off Pennsylvania Route 6, a state scenic highway, golfers of levels of ability have for decades enjoyed the challenge of Shadowbrook. Although shorter in length at 6,000 yards than many modern course designs, our Par 71 layout more than makes up for it with a challenging design.

A straight forward front nine offers golfers wide fairways, large undulating greens, and well placed greenside bunkers to compliment arguably the smoothest putting surfaces in the area. In contrast when making the turn to the back nine, guests cross Route 6 and are treated to the excitement that is mountain golf ~ a true shot makers delight! The course makes it ascent to the higher elevations where it meanders through tall mature pine trees to more smallish greens.

Following the round – experience Bogey's Bar & Grille for some great food and entertainment. Relax and enjoy culinary delights ranging from casual bar fare or choose from one of the chef's daily specials that will be sure to tempt your taste buds and keep you coming back for more.

Need help with your game or looking for the latest in fashion trends or equipment?

We offer lessons available by appointment and a full service golf shop.

When you imagine quality golf in Northeast Pennsylvania at an exceptional value... you may just have imagined Shadowbrook.
